

TrueType

```
classDiagram
    class TrueType
    class ros_message_traits["ros::message_traits"]
    ros_message_traits --|> TrueType
```

The diagram illustrates an inheritance relationship. A box at the top is divided into three horizontal sections; the top section is labeled 'TrueType'. A box at the bottom is divided into three horizontal sections. The top section of the bottom box contains the text 'ros::message_traits', '::HasHeader< ::conti', '_radar::ContiRadar_<', and 'ContainerAllocator > >'. A blue arrow with an open triangular head points from the top section of the bottom box to the bottom section of the top box.

ros::message_traits
::HasHeader< ::conti
radar::ContiRadar<
ContainerAllocator > >
